

HELP CWC19 BE A SUSTAINABLE TOURNAMENT

Edgbaston works hard to make sure the products we use are responsibly sourced whilst reducing our carbon footprint.

We're committed to reducing single use plastics, for example through the introduction of re-usable cups, by removing plastic bags from our shops and eliminating plastic straws. We ask visitors to avoid bringing single-use plastic bottles to the ground where possible – we have water fountains available around the ground to refill drink bottles.

All food containers are biodegradable and waste and mixed recycling bins are readily available around the ground and are clearly labelled.

Edgbaston is committed to being a Zero Waste to Landfill venue. Any waste that can't be recycled goes to produce refuse-derived fuel.

We appreciate your support in keeping the ground clean and helping us protect our environment.

INSPIRED BY #CWC19 TO GET INTO CRICKET?

Cricket truly is a game for everyone with formats for all ages, stages and abilities. There's never been a better time to start playing or to rekindle your love of the sport played by billions across the world.

Visit ecb.co.uk/play to learn more about the ways you can play, including All Stars Cricket, the entry level cricket programme for 5-8 year olds where it's all about Big Moments, through to Women's Soft Ball Cricket where having fun is more important than taking wickets!

- ✔ Food and drink concessions at Edgbaston will be largely cashless
- ✔ Share your day using [#CWC19Birmingham](https://twitter.com/CWC19Birmingham)

WELCOME TO THE VENUE

CAPACITY 24,500

Welcome to Edgbaston, the home of Warwickshire County Cricket Club since 1886. The ground has hosted international cricket for over a century since its maiden Test match in 1902 and it has been a venue for some of the biggest games in world cricket, including multiple Ashes series, ICC World Cup fixtures and ICC Champions Trophy matches, including the final in 2013.

It's a ground England have enjoyed success at in recent years, with the national side going unbeaten at the venue in all formats since 2014 – a stretch that has seen nine victories in a row.

Edgbaston last hosted a major tournament in 2017 when it staged five matches including India versus Pakistan, and the second semi-final between Bangladesh and India.

We hope you enjoy your day with us – and we would love to welcome you back for another fixture soon. For more information about matches and events at Edgbaston, please visit our website edgbaston.com.

WELCOME TO CWC19

Welcome to the ICC Men's Cricket World Cup 2019 (CWC19).

This guide is designed to help you make the most out of your CWC19 experience and contains information to help you plan your day.

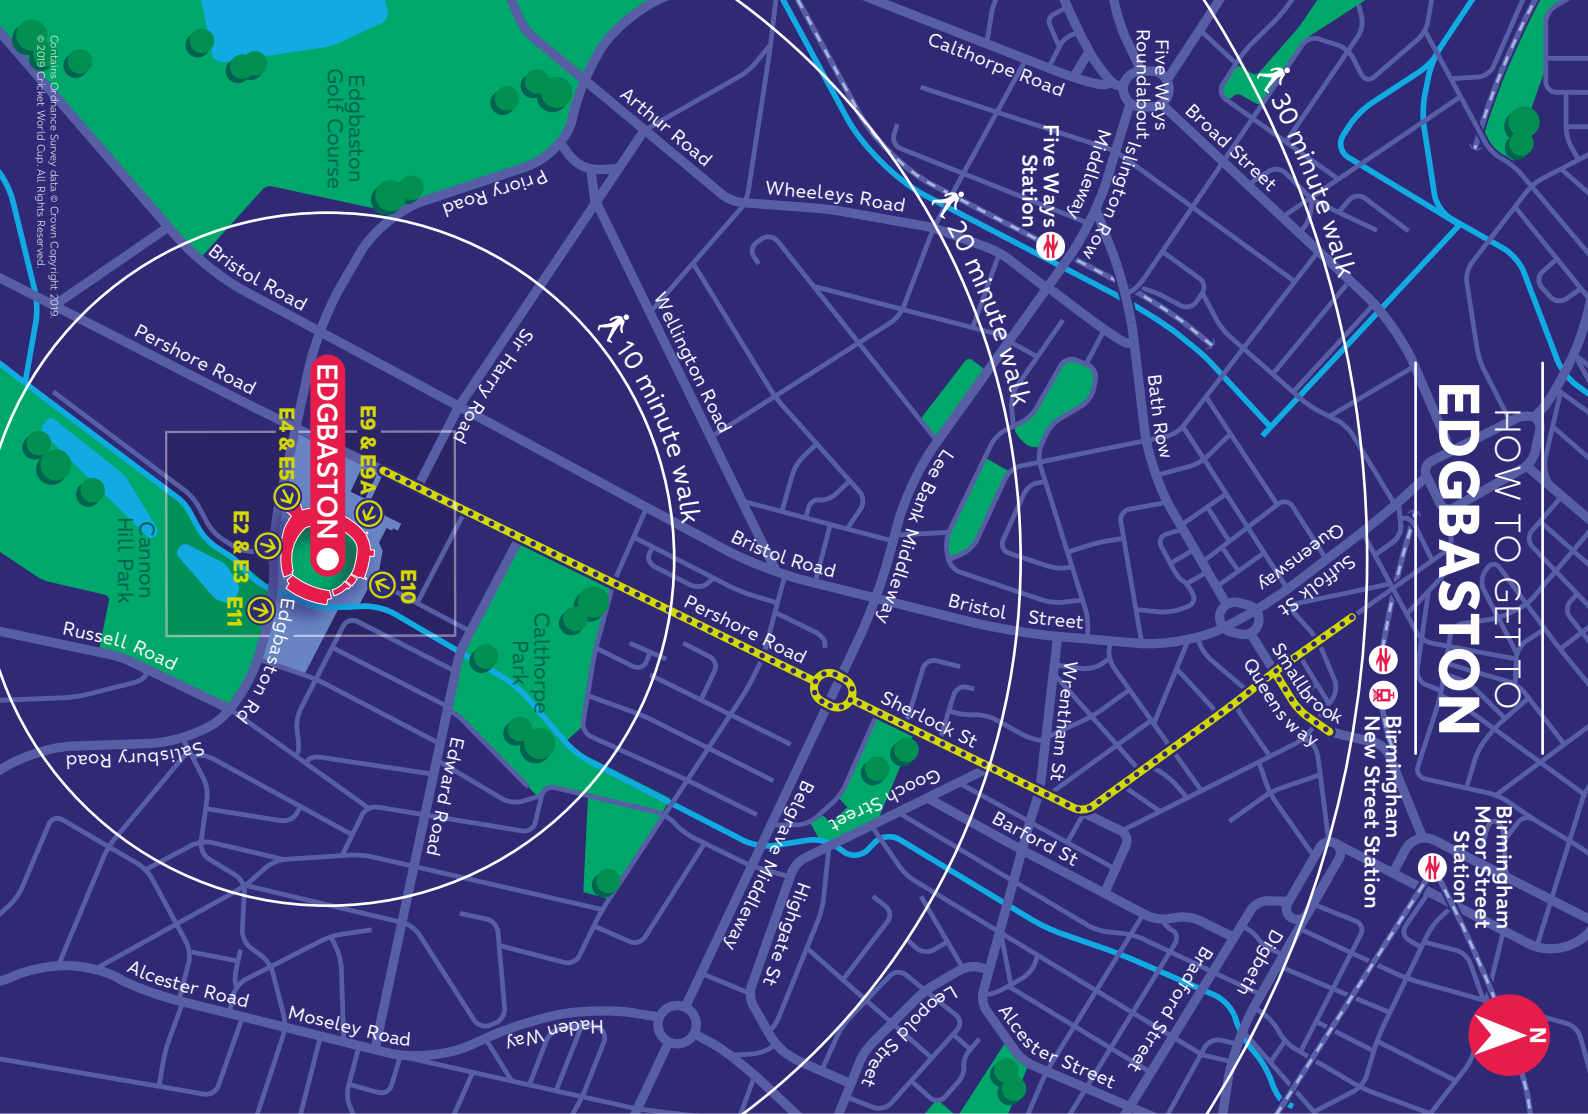

This guide is available for you to use on your phone through the website or CWC19 app.
